Serving Those Who Served Us Proudly.

Often the VA Home Loan Program is misunderstood or discouraged by many mortgage and real estate professionals. In addition, veterans themselves haven't embraced the program due to previous experiences or a general misunderstanding of it. With the combined lack of knowledge from recipients of the program and industry professionals themselves, the resource does not get the recognition it deserves.

iServe Residential Lending, a leading mortgage lender, is taking the initiative to educate mortgage and real estate professionals by sponsoring The Power of VA Home Financing National Tour. Please join iServe Residential Lending's Reno, NV branch for an informative and educational VA Seminar that includes lunch! You will learn all there is to know about the home financing options available to Veterans!

Key presenter for iServe will be industry Veteran and Director of Government Lending, John McDade. With over 40 years in the mortgage industry, and an Air Force Veteran himself, John is considered a national expert on the VA Loan Guarantee Program. He has achieved many milestones in his career, including personally originated over 5,000 VA transactions.
